Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, COAPS

DATE: 5 DEC 1949

FROM : Assistant Director for Operations

SUBJECT: Particular Intelligence Questions Requiring Coordination or Attention

Ref.: Circular Memorandum, dated 2 December 1949, subject as above

1. Your attention is called to paragraph 5 of reference memorandum which reads as follows: "5. Exploitation of Foreign Nationality Groups and Individuals. (Memo to come from OO)."

2. The obvious conclusion to be drawn from the above is that this Office is delinquent in complying with a request from COAPS. It is pointed out that this Office had no idea that a memorandum on the subject of Exploitation of Foreign Nationality Groups was expected of it until receipt of reference memorandum on 5 December 1949.

3. Subsequent investigation reveals the fact that on 2 December, the date of issue of reference memorandum, the Chief, COAPS, in conversation with a division chief of this Office on another subject, asked for a memorandum on what [redacted] was doing on exploiting foreign nationality groups. No suspense date was given. 25X1

[redacted]

5. If COAPS will furnish the Office of Operations with instructions as to what it needs in compliance with NSC-50, I will be delighted to be of whatever assistance possible but I cannot be responsible for something I have not received.

6. Again it is recommended that COAPS take the time to visit OO and its Divisions in order to better acquaint themselves with its functions and methods of operation.
